A note from your Supervisor, Mike Grohowski

This coming spring the first part of 638 hwy. will be reshaped and paved, from US 23 to Grand Point Rd. along with the replacement of the culvers, which are collapsing. The replacement will be a concrete bridge structure, the road will be closed for some time and detours will be posted. Money for this project will come from State and Federal highway funds. The Board of Trustees has signed a letter of intent to provide funds for four feet of paved shoulders.

March of 2018 the Township Planning Commission, with guidance from a community planner from NECOG will begin the updating of our zoning ordinance, the meetings will be posted on the Township web site, citizen participation is encouraged. This project will take about 15 months, meeting every other month.

The Township Board has been informed that our Zoning Administrator, Matt Beddard will be resigning the first of the new year, Matt has done a great job and will be missed. With that said the Township will be in need of a new Zoning Administrator, and by attending the Zoning Ordinance update meeting will be well trained for the position. Job apps. can be found on the web site.

I would like to wish everyone a safe and enjoyable Holiday Season.

Mike Grohowski

From your Assessor, Allan Berg

In 2012, Krakow Twp residential properties have a 2% increase in their State Equalized Value (SEV) over their Assessed Value as originally reported on your assessment notice in Feb. 2012. The reason this occurred is through the process of equalization. When the township assessors prepare the assessment roll, they are given direction by the County as to the total value within a certain limitation and present that assessment roll to the March Board of Review. The board then hears appeals and makes final decisions on the values. When the process is complete, the values are turned in to the County Equalization office and they ensure that the township has the appropriate values, again, within a specific limitation. This year, the reductions given by the March Board of Review have caused those limitations to be exceeded. Therefore, the County Equalization/Board of Commissioners were required to increase all residential properties in Krakow Township back to 50% of true cash value. This required an additional factor of 2%. What does this mean for my tax bill? Some tax bills will not be impacted because you pay on your taxable value and not your SEV. However, if your SEV and taxable value were the same before this factor, any increase will cause your taxable value to also increase.

Contact your **Zoning Administrator, Matthew Bedard,** at (989) 595-2842 for information and/or zoning permit application forms, or visit the township website @krakowtownship.org. The current Ordinance Book can be viewed on our website, at the township hall, or at the Posen or Presque Isle Libraries and available for purchase by contacting Clerk, Elaine Misiak at 766-8804.

BUILDING INSPECTOR: Once you have obtained a township zoning permit, you must also obtain a building permit by calling the Presque Isle County Building inspector, Jim Zakshesky, @ (989) 734-2915 for an application form. Forms can also be obtained from your Township Zoning Administrator.

TRANSFER / RECYCLING STATION: Located at 13936 US 23 S., near the 638 Hwy. intersections. For information, call manager, **Fred Barrett @ 595-2628** during open hours, or Diane Mucciante, Treasurer @ 595-6615.

Do not put garbage in or around the recycle bins as this area is for recycling only. Recycling is easier if you rinse your jars and cans immediately after use before any residue hardens. Plastic jugs and cans should be crushed. Removing the ends of cans make them easier to flatten. Rinse and drain soap bottles thoroughly. Only plastic containers with necks for pouring may be recycled.

STREET LIGHTS: Report any township street light outages to the Township Supervisor or Clerk as soon as possible. Do not hesitate to report any unusual activity around township hall, street lights, or the transfer station to a township official. Repairs due to vandalism are billed to the township, and continuous incidents at a specific light may result in a decision by the Township Board to discontinue future repairs to it.

MEETINGS: *All meetings are held at the township hall at 12022 Bolton Rd. in Posen, 766-8203*

Board of Trustees: Monthly, on the second Tuesday of each month at 7:00 pm.

Rezoning and Special Use permit requests will be heard on dates and times agreed upon by the Planning Commission Chairperson. A fee will be charged to applicants per hearing. **Recommendations from the Grand Lake and Coastal Watershed Steering Committee, sponsored by NEMCOG**, stressed the need to protect and preserve the woodlands and watershed boundaries within Krakow Township, and to provide awareness to citizens living inland and the water's edge. Reducing chemicals from fertilizers, pesticides, and salt will reduce algae in lake water. Natural greenbelts surrounded by native plants, trees, and shrubs become a buffer against pollutants and limits the amount of run off. Not having grassy, manicured lawn areas is another method of eliminating gourmet feed for ducks and with the use of low maintenance wildflowers and perennials, the geese stay away. Of other interest, a recent aquatic invasive in Michigan's inland lakes is the European Frogbit which resembles a small water lily and can quickly choke shallow ponds, open marshes, ditches, and edges of lakes (*U.S. Fish and Wildlife*).

Zoning Board of Appeals: Annually for organization, and as needed to hear appeals. Appeals will be heard on dates and times agreed upon by the ZBA Chairperson. A fee will be charged per hearing.

Board of Review: July, December and March of each year. Call for dates and times, or visit our website.

Meeting and public hearing changes and cancellations: are posted at the township hall and/or published in a local newspaper, and/or announced on radio station WATZ 99.3 FM and TV Channel 11 WBKB-TV.

If you need more info regarding meetings, please call Clerk Elaine Misiak @ 989-766-8804.
